

Vocabulary Curriculum for 6th through 8th grades

- Vocabulary Workshop – each grade level – 6th, 7th and 8th will be exposed to 15 units of 20 words selected according to currency and general usefulness; frequency of appearance on recognized vocabulary lists; applicability to, and appearance on standardized test; and grade level research
- Each unit consists of the following sections: a Reading Passage, Definitions, synonyms and antonyms of each word, Choosing the Right Word, Completing the Sentence, Writing, and Vocabulary in Context.
- In addition, students learn vocabulary from each piece of literature read during the school year.
