

Dear Parents and Students,

Welcome back to school and the beginning of a new year here at St. Ambrose! I'm looking forward to serving your children and providing them with a daily hot lunch program. All lunches that we serve will cost **\$4.00**. We offer various drink options that cost **\$1.00**. You may pay for a drink in advance with your lunch and then your child can choose what they would like to drink when they pick their lunch up or they can pay for their drink that day. There will also be a snack cart with items that may be purchased without pre-ordering. A list of these items and prices have been enclosed under a separate sheet. You may also order lunch from the alternate list which is also enclosed. All alternate lunches cost **\$4.00**. They will come with the side that is being served that day.

We will be using a voucher system. You will receive a calendar in the beginning of the month. You may order by the week or month. All checks should be made payable to **"Old School Catering."** There should be one order form per student but you can send in one check for multiple children. The hard copy will serve as the voucher after payment has been verified. This will be returned to your child and we will keep a copy in case your child loses his/her voucher. Orders should be sent in by **Friday** so that vouchers can be ready for distribution on the following Monday morning. Orders sent in will be processed that evening so if you send it in Monday morning your child will have to wait and be processed as a no voucher until Tuesday. All students with vouchers will receive their lunch first. After that, all student that do not have a voucher or sent it in late will then get on line for food and be served what we have left. Last year we had 50 meals ordered and then would have 100 children waiting on line wanting food. Please pre-order so your child does not have to wait. Orders and money should be sent into school in a sealed envelope marked **"Old School Catering"** or **"Lunch Program"** with your child's name and grade on the front of the envelope. (i.e. **Mary Smith 2nd**) You may send in one check or cash for multiple children just fill out individually a voucher for each child.

Any student who forgets his/her lunch or lunch money will be allowed to purchase lunch and a drink on **"credit."** There will be no credit for snack items. All credits should be paid by the next day. **At any time just have your child see me and I will make sure they are fed. No child should go without a lunch.**

I have enclosed my phone number 732-841-4719. If you have any questions, suggestions for the menu, criticism or praise feel free to call me anytime but **"lunchtime."** I look forward to feeding your children and a new school year.

Sincerely,

Alfonso Dama
